- ix. Subject to receipt of requisite number of votes, the Resolutions shall be deemed to be passed on the date of the Meeting, i.e., on Tuesday, September 09, 2025.

- x. The details of the process and manner for remote e-voting are explained herein below:
- The voting period begins from Saturday, September 06, 2025 (9:00 A.M. IST) and ends on Monday, September 08, 2025 (5:00 P.M. IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date on Saturday, August 30, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
 - Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the Demat account holders, by way of a single login credential, through their Demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Item No. 3

Mr. Sudhakaran Reddy Sunkerneni Managing Director on the Board of M/s. Adroit Infotech Limited (the "Company") and is also in full-time employment with its subsidiary company(ies), namely M/s. Verso Altiam India Private Limited, in the capacity of Executive Director.

As part of the employment arrangement with the said subsidiary company(ies), Mr. Sudhakaran Reddy Sunkerneni is drawing remuneration for services rendered, in line with the terms of the employment contract. The Company, being the holding company, is seeking approval of the shareholders as a measure of good governance and in compliance with the provisions of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015.

The summary of remuneration is as under:

Name of Subsidiary	Designation	Annual Remuneration	Nature of Appointment
Adroit Infotech Limited	Executive Director	81.73 Lakhs	Director

As the Director is receiving remuneration from the subsidiary company(ies) where he is employed, and such remuneration may be considered for disclosure under Section 197 of the Act and may also cross materiality thresholds under Regulation 23 of SEBI LODR Regulations, 2015, the approval of members by way of Special Resolution is being sought.

This arrangement is in the ordinary course of business and at arm's length, and therefore may not attract Section 188 approval requirements. However, as a matter of transparency and in accordance with best governance practices, the Company is placing this resolution before the shareholders for their approval.

None of the Directors, Key Managerial Personnel of the Company, or their relatives is concerned or interested in the said resolution except Mr. Sudhakiran Reddy Sunkerneni to the extent of the remuneration drawn by him from the subsidiary(ies).

Item No. 4

The Company holds a foreign subsidiary, **Adroit Infotech US Inc.** incorporated in **United State of America**, which was formed for **6th Day of September, 2022**, the subsidiary is currently non-operational and has not contributed significantly to the revenue, assets, or net worth of the Company.

After evaluating the overall structure and strategy, the Board has decided to initiate closure of the said subsidiary to simplify the corporate structure and reduce administrative costs.

As per **Regulation 30(4) of SEBI (LODR) Regulations, 2015**, and read with the **SEBI Circular No. CIR/CFD/CMD/4/2015 dated September 09, 2015**, the closure of a non-material subsidiary does **not require mandatory disclosure** to stock exchanges since it does not have a significant impact on the operations, financials, or management of the listed entity.

None of the Directors, Key Managerial Personnel, or their relatives are concerned or interested in the above resolution.

Item No. 5

The provisions of Section 180(1)(c) of the Companies Act, 2013 require the Board of Directors of a company to obtain the consent of the shareholders by way of a **special resolution** to borrow monies (apart from temporary loans obtained from the company's bankers in the ordinary course of business) in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the company.

To meet the growing business requirements, the Company may need to borrow funds from time to time, in the form of loans, debentures or other instruments, from banks, financial institutions, bodies corporate or other entities. Such borrowing may exceed the limits prescribed under Section 180(1)(c) of the Act.

It is, therefore, proposed to authorise the Board of Directors to borrow such sums as may be required for the purpose of the business of the Company, provided that the total amount borrowed (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) shall not at any time exceed ₹ [insert amount] (Rupees [insert amount in words] only).

The Board of Directors recommends the resolution for the approval of the members of the Company as a **special resolution**.

Item No. 6

Section 180(1)(a) of the Companies Act, 2013 provides that the Board of Directors of a company shall not, except with the consent of the members of the company by way of a special resolution, sell, lease, or otherwise dispose of the whole or substantially the whole of the undertaking(s) of the company or where the company owns more than one undertaking, of the whole or substantially the whole of any of such undertakings.

In the ordinary course of business, the Company may, from time to time, be required to create charges, mortgages, hypothecation, or other security on its assets or undertakings (both present and future) in favour of banks, financial institutions, or other lenders for securing borrowings/credit facilities availed or to be availed by the Company.

Such creation of charge on the assets of the Company may be regarded as a disposal of the whole or substantially the whole of the undertaking(s) within the meaning of Section 180(1)(a) of the Act and accordingly, requires the approval of the shareholders by way of a special resolution.

It is, therefore, proposed to authorise the Board of Directors to create charge(s)/mortgage(s)/hypothecation(s) or otherwise encumber the whole or substantially the whole of the undertaking(s) of the Company, in favour of lenders to secure borrowings not exceeding ₹ 100 Crores borrowing limit approved under Section 180(1)(c)].

The Board of Directors recommends the resolution for the approval of the members of the Company as a special resolution.

Item No. 7

Pursuant to section 180 (1) (a) and other applicable provisions of the Companies Act, 2013, the Company can dispose off its undertaking/property/assets through sale or lease or provide security of its assets for repayment of loan or otherwise only with the approval of members accorded by way of Special Resolution.

The Company may sell, lease, dispose off/create charge and/or mortgage all or any of the immovable and / or movable properties and / or undertaking of the Company wheresoever situated, present & future and the whole of the undertaking of the Company in favour of any other person/Bank/Financial Institution/NBFC's or otherwise, to secure the repayment of funds/credit facilities availed or to be availed by the Company, for a sum of money not exceeding Rs. 100/- Crores (Rupees One Hundred Crore).

The Board recommends the resolution set out in the accompanying Notice.

None of the Directors, Key Managerial Personnel and their relatives is, in any way, concerned or interested in the said Special Resolution.

Item No. 8

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other bodies corporate as and when required.

Members may note that pursuant to Section 186 of the Companies Act, 2013 ("Act"), the Company can give loan or give any guarantee or provide security in connection with a loan to any other body corporate or person and acquire securities of any other body corporate, in excess of 60% of its paid up share capital, free reserves and securities premium account or 100% of its free reserves and securities premium account, whichever is more, with the approval of Members by special resolution passed at the general meeting.

In view of the aforesaid, it is proposed to take approval under Section 186 of the Companies Act, 2013, by way of special resolution, up to a limit of Rs. 100 Crores, as proposed in the Notice. The above proposal is in the interest of the Company and the Board recommends the Resolution as set out at Item No. 8 for approval by the members of the Company as Special Resolution.

None of the Directors, Key Managerial Personnel and their relatives is, in any way, concerned or interested in the said Special Resolution.

Item No. 9

Pursuant to Section 185 of the Companies Act, 2013 ("the Act"), a Company may advance any loan including any loan represented by book debt, or give any guarantee or provide any security in connection with any loan taken by any entity (said entity(ies) covered under the category of 'a person in whom any of the director of the Company is interested' as specified in the explanation to Section 185(2)(b) of the Companies Act, 2013, after passing a Special Resolution in the general meeting. It is proposed to make loan(s) including loan represented by way of Book Debt to, and/or give guarantee(s) and/or provide security(ies) in connection with any loan taken/to be taken by the Subsidiary Companies or Associate or Joint Venture or group entity or Director/s or any other person in whom any of the Director of the Company is deemed to be interested as specified in the explanation to Section 185(2)(b) of the Act (collectively referred to as the "Entities"), from time to time, for the purpose of capital expenditure of the projects and/or working capital requirements including purchase of fixed assets as may be required from time to time for its principal business activities and other matters connected and incidental thereto, within the limits as mentioned in the Item no. 9 of the notice.

The members may note that Board of Directors would carefully evaluate the proposals and provide such loan, guarantee or security through deployment of funds out of internal resources/accruals and/or any other appropriate sources, from time to time, and the proposed loan shall be at such rate of interest as agreed by the parties in the best interest of the Company and shall be used by the borrowing company for its principal business activities only.

The Board of Directors recommend the resolution set forth in Item no. 9 of the notice for your approval as a Special Resolution.

None of the Directors or Key Managerial Personnel or their relatives are in any way concerned with or interested, financially or otherwise in the said resolution except to the extent of their shareholding in the Company, if any.

Item No. 10

Pursuant to the provisions of Section 188 of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014, the Related Party Transactions as mentioned in clause (a) to (g) of the said section requires a Company to obtain approval of the Board of Directors and subsequently the Shareholders of the Company by way of ordinary resolution in case the value of the Related Party Transactions exceed the stipulated thresholds prescribed in Rule 15 of the said Rules and transactions other than in ordinary course of business and on arm's length basis.

Further, Regulation 23 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, ("Listing Regulations") also stipulates that all material related party transactions shall require prior approval of the shareholders through ordinary resolution.

Accordingly, the related party transactions as recommended by the Audit Committee and approved by the Board of Directors at their respective meetings held on 22nd July, 2025 are hereby placed before the shareholders for their approval by way of ordinary resolution to enable the Company / Subsidiary Company to enter into the following Related Party Transactions in one or more tranches. The transactions under consideration, are proposed to be entered into by the Company / Subsidiary Company with the following related parties in the ordinary course of business and at arms' length basis.

Pursuant to Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014 and SEBI Circular SEBI/HO/CFD/CMD1/CIR/P/2021/662, dated November 22, 2021;

REPORT ON CORPORATE GOVERNANCE

Corporate governance is the set of processes, customs, policies, laws and institutions affecting the way a company is directed, administered or controlled. It is a system of structuring, operating and controlling a company with a view to achieve long term strategic goals to satisfy shareholders, creditors, employees, customers and suppliers.

Corporate governance is based on principles such as conducting the business with all integrity and fairness, being transparent with regard to all transactions, making all the necessary disclosures and decisions, complying with all the laws of the land, accountability and responsibility towards the stakeholders and commitment to conducting business in an ethical manner.

COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

Adroit Infotech Limited ("AIL" or 'Company') believes that timely disclosures, transparent accounting policies and a strong and independent Board go a long way in maintaining good corporate governance, preserving shareholders' trust and maximizing long-term corporate value.

The Company's philosophy on Corporate Governance focuses on the attainment of the highest standards of transparency, accountability, ethics and equity with management flexibility, empowerment and responsiveness in the interest of shareholders, customers, employees, business associates and the society at large.

AIL's corporate governance framework is based on the following main principles:

- Appropriate composition and size of the Board;
- Timely flow of information to the members of the Board and Board Committees;
- Well-developed systems and processes for risk management and financial reporting;
- Timely and accurate disclosure of all material operational and financial information.

BOARD OF DIRECTORS:

One-Third of the Board, 2 out of 6, are Independent non-executive Directors. The Board's actions and decisions are aligned with the Company's best interests. It is committed to the goal of sustainably elevating the Company's value creation. The Board critically evaluates the Company's strategic direction, management policies and their effectiveness.

None of the Directors on the Board holds directorships in more than ten public companies. None of the Independent Directors serves as an independent director on more than seven listed entities. Necessary disclosures regarding Committee positions in other public companies as on March 31, 2025 have been made by the Directors. None of the Directors is related to each other.

Independent Directors are non-executive directors as defined under Regulation 16(1)(b) of the SEBI Listing Regulations read with Section 149(6) of the Act along with rules framed thereunder. In terms of Regulation 25(8) of SEBI Listing Regulations, they have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. Based on the declarations received from the Independent Directors, the Board of Directors has confirmed that they meet the criteria of independence as mentioned under Regulation 16(1)(b) of the SEBI Listing Regulations and that they are independent of the management.

As on March 31, 2025, the Board has Six Directors, comprising (i) Two Independent Directors, (ii) One Executive Director (iii) Three Non-independent Director. The composition of the Board is in conformity with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI Listing Regulations).

REPORT ON CORPORATE GOVERNANCE

Corporate governance is the set of processes, customs, policies, laws and institutions affecting the way a company is directed, administered or controlled. It is a system of structuring, operating and controlling a company with a view to achieve long term strategic goals to satisfy shareholders, creditors, employees, customers and suppliers.

Corporate governance is based on principles such as conducting the business with all integrity and fairness, being transparent with regard to all transactions, making all the necessary disclosures and decisions, complying with all the laws of the land, accountability and responsibility towards the stakeholders and commitment to conducting business in an ethical manner.

COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

Adroit Infotech Limited ("AIL" or 'Company') believes that timely disclosures, transparent accounting policies and a strong and independent Board go a long way in maintaining good corporate governance, preserving shareholders' trust and maximizing long-term corporate value.

The Company's philosophy on Corporate Governance focuses on the attainment of the highest standards of transparency, accountability, ethics and equity with management flexibility, empowerment and responsiveness in the interest of shareholders, customers, employees, business associates and the society at large.

AIL's corporate governance framework is based on the following main principles:

- Appropriate composition and size of the Board;
- Timely flow of information to the members of the Board and Board Committees;
- Well-developed systems and processes for risk management and financial reporting;
- Timely and accurate disclosure of all material operational and financial information.

BOARD OF DIRECTORS:

One-Third of the Board, 2 out of 6, are Independent non-executive Directors. The Board's actions and decisions are aligned with the Company's best interests. It is committed to the goal of sustainably elevating the Company's value creation. The Board critically evaluates the Company's strategic direction, management policies and their effectiveness.

None of the Directors on the Board holds directorships in more than ten public companies. None of the Independent Directors serves as an independent director on more than seven listed entities. Necessary disclosures regarding Committee positions in other public companies as on March 31, 2025 have been made by the Directors. None of the Directors is related to each other.

I, P Sarada, Practising Company Secretary have examined the compliance of conditions of corporate governance by M/s. Skyline Ventures India Limited ("the Company"), for the year ended March 31, 2025, as per the relevant provisions of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations")

The compliance of conditions of corporate governance is the responsibility of the management. My examination was limited to review of procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance as stipulated. It is neither an audit nor an expression of opinion on the financial statements of the Company.

I have examined the relevant records of the Company in accordance with the Generally Accepted Auditing Standards in India, to the extent relevant, and as per the Guidance Note on Certification of Corporate Governance Issued by the Institute of Chartered Accountants of India.

In my opinion and to the best of my information and according to the explanations of the relevant records and the explanations given to me by the Directors and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations except the deviations mentioned in my Secretarial Audit Report dated August 13, 2025 for the FY 2024-25.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

**Independent Auditor's Report
To the Members of Adroit Infotech Limited
Report on the Audit of the Standalone Financial Statements**

Opinion

1. We have audited the accompanying standalone financial statements of Adroit Infotech Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr.no	Key Audit Matter
1	Revenue recognition The Company's contracts with customers include contracts with multiple products and services. The Company derives revenues from IT services comprising software consulting and package implementation, maintenance and business process management services. The Company assesses the services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligations to determine the deliverables and the ability of the customer to benefit independently from such deliverables involves significant judgment. In certain integrated services arrangements, contracts with customers include subcontractor services or third-party vendor equipment or software. In these types of arrangements, revenue from sales of third-party vendor products or services is recorded net of costs when the Company is acting as an agent between the customer and the vendor and gross when the Company is the principal for the transaction. In doing so, the Company first evaluates whether it controls the products or service before it is transferred to the customer. The Company considers whether it has the primary obligation to fulfil the contract, inventory risk, pricing discretion and other factors to determine whether it controls the products or service and therefore, is acting as a principal or an agent. Fixed price maintenance revenue is recognized rate ably either on (1) a straight-line basis when services are performed through an indefinite number of repetitive acts over a specified period or (2) using a percentage of completion method when the pattern of benefits from the services rendered to the customer and the Company's costs to fulfil the contract is

	not even through the period of contract because the services are generally discrete in nature and not repetitive. The use of method to recognize the maintenance revenues requires judgment and is based on the promises in the contract and nature of the deliverables. As certain contracts with customers involve management's judgment in (1) identifying distinct performance obligations, (2) determining whether the Company is acting as a principal or an agent and (3) whether fixed price maintenance revenue is recognized on a straight-line basis or using the percentage of completion method, revenue recognition from these judgments were identified as a key audit matter and required a higher extent of audit effort. Refer relevant Notes to the standalone financial statements
	Auditor's Response
	Principal Audit Procedures Performed Our audit procedures related to the (1) identification of distinct performance obligations, (2) determination of whether the Company is acting as a principal or agent and (3) whether fixed price maintenance revenue is recognized on a straight-line basis or using the percentage of completion method included the following, among others: • We tested the effectiveness of controls relating to the (a) identification of distinct performance obligations, (b) determination of whether the Company is acting as a principal or an agent and (c) determination of whether fixed price maintenance revenue for certain contracts is recognized on a straight-line basis or using the percentage of completion method. • We selected a sample of contracts with customers and performed the following procedures: – Obtained and read contract documents for each selection, including master service agreements, and other documents that were part of the agreement. Identified significant terms and deliverables in the contract to assess management's conclusions regarding the (i) identification of distinct performance obligations (ii) whether the Company is acting as a principal or an agent and (iii) whether fixed price maintenance revenue is recognized on a straight-line basis or using the percentage of completion method.
2.	Revenue recognition - Fixed price contracts using the percentage of completion method Fixed price maintenance revenue is recognized rateably either (1) on a straight-line basis when services are performed through an indefinite number of repetitive acts over a specified period or (2) using a percentage of completion method when the pattern of benefits from services rendered to the customer and the Company's costs to fulfil the contract is not even through the period of contract because the services are generally discrete in nature and not repetitive. Revenue from other fixed-price, fixed-timeframe contracts, where the performance obligations are satisfied over time is recognized using the percentage-of-completion method. Use of the percentage-of-completion method requires the Company to determine the actual efforts or costs expended to date as a proportion of the estimated total efforts or costs to be incurred. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. The estimation of total efforts or costs involves significant judgement and is assessed throughout the period of the contract to reflect any changes based on the latest available information. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the estimated efforts or costs to complete the contract. We identified the estimate of total efforts or costs to complete fixed price contracts measured using the percentage of completion method as a key audit matter as the estimation of total efforts or costs involves significant judgement and is assessed throughout the period of the contract to reflect any changes based on the latest available information. This estimate has a high inherent uncertainty and requires consideration of progress of the contract, efforts or costs incurred to date and estimates of efforts or costs required to complete the remaining contract performance obligations over the

	term of the contracts. This required a high degree of auditor judgment in evaluating the audit evidence and a higher extent of audit effort to evaluate the reasonableness of the total estimated amount of revenue recognized on fixed-price contracts. Refer relevant notes to the standalone financial statements.
	Auditor's Response
	Principal Audit Procedures Performed Our audit procedures related to estimates of total expected costs or efforts to complete for fixed-price contracts included the following, among others: • We tested the effectiveness of controls relating to (1) recording of efforts or costs incurred and estimation of efforts or costs required to complete the remaining contract performance obligations and (2) access and application controls pertaining to time recording, allocation and budgeting systems which prevents unauthorised changes to recording of efforts incurred. • We selected a sample of fixed price contracts with customers measured the using percentage-of-completion method and performed the following: – Evaluated management's ability to reasonably estimate the progress towards satisfying the performance obligation by comparing actual efforts or costs incurred to prior year estimates of efforts or costs budgeted for performance obligations that have been fulfilled. – Compared efforts or costs incurred with Company's estimate of efforts or costs incurred to date to identify significant variations and evaluate whether those variations have been considered appropriately in estimating the remaining costs or efforts to complete the contract. – Tested the estimate for consistency with the status of delivery of milestones and customer acceptances and sign off from customers to identify possible delays in achieving milestones, which require changes in estimated costs or efforts to complete the remaining performance obligations.

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting

policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
 - Obtain sufficient appropriate audit evidence regarding the financial information of the Company and its branches or the business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of the Company and such branches included in the financial statements, of which we are the independent auditors. For the other branches included in the financial statements, which have been audited by the branch auditors, such branch auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
16. Further to our comments in Annexure A, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books. Further, the back-up of the books of accounts and other books and papers of the Company maintained in electronic mode has not been maintained on servers physically located in India, on Daily Basis.;
 - c) The standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2025 and the operating effectiveness of such controls, refer to our separate report in Annexure B wherein we have expressed an unmodified opinion; and
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company does not have any pending litigation which would impact its financial position as at 31 March 2025;
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2025;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2025;

iv.

- a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
- b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.

v. The Company has not declared or paid any dividend during the year ended 31 March 2025.

vi. Based on our examination which included test checks, the Company, in respect of financial year commencing on or after 1 April 2024, has used an accounting software Tally *software* which is operated by a third party software service provider for maintaining its books of account and in absence of an 'Independent Service Auditor's Assurance Report on the Description of Controls, their Design and Operating Effectiveness' ('Type 2 report' issued in accordance with SAE 3402, Assurance Reports on Controls at a Service Organization), we are unable to comment on whether audit trail feature of the said software was enabled and operated throughout the year for all relevant transactions recorded in the software or whether there were any instances of audit trail feature being tampered with.

Annexure A

A referred to in Paragraph 16 of the Independent Auditor's Report of even date to the members of Adroit Infotech Limited on the standalone financial statements for the year ended 31 March 2025

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) A The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and right of use assets
- B The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its property, plant and equipment, capital work in progress, investment property and relevant details of right-of-use assets and under which the assets are physically verified in a phased manner over a period of 3 years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain property, plant and equipment, capital work in progress, right of use assets and investment property were verified during the year and no material discrepancies were noticed on such verification.
- (c) The Company does not own any immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee). Accordingly, reporting under clause 3(i)(c) of the Order is not applicable to the Company.

Others	-	-	-	-

- (b) In our opinion and according to the information and explanations given to us, the investments made, guarantees made and terms and conditions of the grant of all loans provided are, prima facie, not prejudicial to the interest of the Company.
- (c) In respect of loans and advances in the nature of loans granted by the Company, the schedule of repayment of principal and the payment of the interest has not been stipulated and accordingly, we are unable to comment as to whether the repayments/receipts of principal interest are regular.
- (d) In the absence of stipulated schedule of repayment of principal and payment of interest in respect of loans or advances in the nature of loans, we are unable to comment as to whether there is any amount which is overdue for more than 90 days. Reasonable steps have been taken by the Company for recovery of such principal amounts and interest.
- (e) In respect of loan(s) or advance(s) in the nature of loans granted by the Company, the schedule of repayment of principal has not been stipulated for the loans which are still outstanding. Further, no interest is receivable on such loan or advance in the nature of loan. According to the information and explanation given to us, such loans have not been demanded for repayment as on date
- (f) The Company has granted loan or advance(s) in the nature of loans which is repayable on demand and without specifying any terms or period of repayment, as per details below:

- Repayable on demand (A)	-	-	-
- Agreement does not specify any terms or period of repayment (B)	-	-	200.48
Total (A+B)	-	-	200.48
Percentage of loans/advances in nature of loan to the total loans	-	-	100%

- (iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Act in respect of loans and investments made and guarantees and security provided by it, as applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/ services / business activities. Accordingly, reporting under clause 3(vi) of the Order is not applicable.

- (vii) (a) In our opinion and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (vii) (b) According to the information and explanations given to us, there are no statutory dues referred to in subclause (a) above that have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.
- (ix) (a) According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us including confirmations received from banks, representation received from the management of the Company and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year and did not have any term loans outstanding at the beginning of the current year. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us and on an overall examination of the financial statements of the Company, funds raised by the Company on short term basis have, prima facie, not been utilised for long term purposes.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and associates.
- (f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries and associate companies.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) During the year, the Company has made preferential allotment or private placement of shares. In our opinion and according to the information and explanations given to us, the Company has complied with the requirements of section 42 and section 62 of the Act and the rules framed thereunder with respect to the same. Further, the amounts so raised were used for the purposes for which the funds were raised, though idle/surplus funds which were not required for immediate utilisation have been invested in fixed deposits.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us,

no material fraud by the Company or no material fraud on the Company has been noticed or reported during the period covered by our audit.

- (b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under subsection 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.
- (c) According to the information and explanations given to us, the Company has received whistle blower complaints during the year, which have been considered by us while determining the nature, timing and extent of audit procedures.
- (xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (Xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as per the provisions of section 138 of the Act which is commensurate with the size and nature of its business.
- (b) We were unable to obtain any of the Internal Audit Reports of the Company on timely basis, hence the Internal Audit Reports have not been considered by us, only to the extent made available to us.
- (xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of section 192 of the Act are not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi)(a),(b) and (c) of the Order are not applicable to the Company.
- (xvii) The Company has incurred cash losses amounting to ₹245.28 lacs in the current financial year but had not incurred cash losses in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future

viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due

(xx) According to the information and explanations given to us, the Company does not have any unspent amounts towards Corporate Social Responsibility in respect of any ongoing or other than ongoing project as at the end of the financial year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure B

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Adroit Infotech Limited ('the Company') as at and for the year ended 31 March 2025, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2025, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Note: During FY 2023–24, the Company acquired Verso Altima Private Limited in accordance with a Share Purchase Agreement. As per the terms of the agreement, the consideration for the acquisition was contingent upon the achievement of specified operational targets and was payable over a defined period, with the final instalment scheduled for FY 2024–25.

Following a comprehensive assessment of Verso Altima's operational performance, management determined that the stipulated conditions were not met. Accordingly, the contingent consideration no longer represented a liability and was reversed during the year. This reversal was recognized as income, in compliance with applicable accounting standards.

As per the principles of **Ind AS 103 – Business Combinations**, any contingent consideration that ceases to qualify as a financial liability should be derecognized, with the corresponding impact recorded in profit or loss. The accounting treatment adopted by the Company aligns with the guidance under Ind AS 103 and is considered appropriate under the applicable financial reporting framework.

As stipulated in Ind AS–36, the Company has assessed its potential of economic benefits of its business units and is of the view of that the assets employed in continuing business are capable of generating adequate returns over their useful life in the usual course of its business.

Note 36
Financial risk management
Financial risk factors

The Company's activities expose it to a variety of financial risks—market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is foreign exchange risk. The Company has major exposure in US Dollars which is not hedge.

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers. The gross carrying amount of a financial asset is written off (either partially or in full) when there is no realistic prospect of recovery.

Market Risk

The Company operates internationally and a major portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales and services in the United States and elsewhere. The exchange rate between the Indian Rupee and foreign currencies has changed substantially in recent years and may fluctuate substantially in the future. Consequently, the results of the Company's operations are adversely affected as the Rupee appreciates / depreciates against these currencies.

The analysis of the foreign currency risk from financial assets and liabilities as at March 31, 2025 is as follows: (INR In Lakhs)

Particulars	Amount
Financial Assets	508.80
Financial Liabilities	0.00
Total	508.80

The analysis of the foreign currency risk from financial assets and liabilities as at March 31, 2024 is as follows: (INR in Lakhs)

Particulars	Amount
Financial Assets	666.03
Financial Liabilities	0.00
Total	666.03

Sensitivity analysis between Indian Rupee and US Dollar

Particulars	Year ended March 31,	
	2025	2024
Impact on the Company's incremental operating margins	0.05 to 0.10%	0.04 to 0.10%

Sensitivity analysis is computed based on the changes in the income and expenses in foreign currency upon conversion into functional currency. This is due to exchange rate fluctuations between the previous reporting period and the current reporting period.

Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 559.94 Lakhs and Rs. 738.95 Lakhs as at March 31, 2025 and March 31, 2024, respectively. Trade receivables are typically unsecured and are derived from revenue from customers majorly located in the US and India. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of the customers to which the Company grants credit terms in the normal course of business. The Company uses simplified approach for determining to assess any required allowances. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers. Management on regular basis keep track of receivables and provide board with reason for increase in trade receivables.

Credit risk exposure

The Company's credit period generally ranges from 60-120 days. The allowance for lifetime expected credit loss on customer balances recognized for the years ended March 31, 2025 and March 31, 2024 is Nil.

Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks, assigned by international and domestic credit rating agencies. Ratings are monitored periodically and the Company has considered the latest available credit ratings as at the date of approval of these financial statements.

Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company has no major outstanding borrowings. The Company believes that the working capital is sufficient to meet its current requirements. Further, on need basis Company raises from its shareholder for expanding business and acquisition purposes.

As at March 31, 2025, the Company had a working capital of Rs. 961.23 Lakhs including cash and cash equivalents of Rs. 178.84 Lakhs. Further, the Company has very limited loans in its portfolio which shows that the company has ability to meet its liability from the funds generated from the Cash Flow activities of Business.

Note: 37 Trade Receivables-

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country, in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company's credit period for customers generally ranges from 60-120 days. The aging of trade receivables that are past due but not impaired is given below:

Note: 60 Business Combination

- A. There were no acquisitions of controlling interest during the year ended March 31, 2025 and year ended March 31, 2024. During FY 2022–23, the Company acquired Verso Altima Private Limited in accordance with a Share Purchase Agreement. As per the terms of the agreement, the consideration for the acquisition was contingent upon the achievement of specified operational targets and was payable over a defined period, with the final installment scheduled for FY 2024–25.

Following a comprehensive assessment of Verso Altima's operational performance, management determined that the stipulated conditions were not met. Accordingly, the contingent consideration no longer represented a liability and was reversed during the year. This reversal was recognized as income, in compliance with applicable accounting standards.

As per the principles of Ind AS 103 – Business Combinations, any contingent consideration that ceases to qualify as a financial liability should be derecognized, with the corresponding impact recorded in profit or loss. The accounting treatment adopted by the Company aligns with the guidance under Ind AS 103 and is considered appropriate under the applicable financial reporting framework and the Income earned has been recorded as exceptional item since there occurrence of this type of transaction is low.

- Consequently, audit trail logs are not available for the period April 1, 2024 to March 31, 2025.

Note 1: Significant Accounting Policies
1.1 Revenue recognition

The Company's contracts with customers include promises to transfer multiple products and services to a customer. Revenues from customer contracts are considered for recognition and measurement when the contract has been approved, in writing, by the parties to the contract, the parties to the contract are committed to perform their respective obligations under the contract, and the contract is legally enforceable. The Company assesses the services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligations to determine the deliverables and the ability of the customer to benefit independently from such deliverables, and allocation of transaction price to these distinct performance obligations involves significant judgment.

Fixed-price maintenance revenue is recognized ratably on a straight-line basis when services are performed through an indefinite number of repetitive acts over a specified period. Revenue from fixed-price maintenance contract is recognized ratably using a percentage-of-completion method when the pattern of benefits from the services rendered to the customer and the Company's costs to fulfil the contract is not even through the period of the contract because the services are generally discrete in nature and not repetitive. The use of method to recognize the maintenance revenues requires judgment and is based on the promises in the contract and nature of the deliverables.

The Company uses the percentage-of-completion method in accounting for other fixed-price contracts. Use of the percentage-of-completion method requires the Company to determine the actual efforts or costs expended to date as a proportion of the estimated total efforts or costs to be incurred. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. The estimation of total efforts or costs involves significant judgment and is assessed throughout the period of the contract to reflect any changes based on the latest available information.

Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the estimated efforts or costs to complete the contract.

Other Income

Other income is comprised primarily of interest income, foreign exchange gain / loss. Interest income is recognized using the effective interest method.

1.2 Leases

Effective 1 April 2022, the Company adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on 1 April 2022 using the modified retrospective method. Comparatives as at and for the year ended 31 March 2024 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies applicable for previous year, The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. Lessee Policy effective 1 April 2023 the Company’s lease asset classes primarily consist of leases for, buildings and spaces. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset (“ROU”) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Company has recognized a new Right use Asset and Lease Liability in the year 2024-2025 starting from 1st April 2024. The lease however ended on 30th September, 2025.

1.3 Business Combination

Common control business combination is accounted using the pooling of interest method where the Company is transferee. Assets and liabilities of the combining entities are reflected at their carrying amounts and no new asset or liability is recognized. Identity of reserves of the transferor company is preserved by reflecting them in the same form in the Company’s financial statements in which they appeared in the financial statements of the transferor company. The excess between the amount of consideration paid over the share capital of the transferor company is recognized as a negative amount and the same is disclosed as capital reserve on business combination. The financial information in the financial statements in respect of prior periods is restated from the beginning of the preceding period in the financial statements if the business combination date is prior to that date. However, if business combination date is after that date, the financial information in the financial statements is restated from the date of business combination. The gain/loss net of tax on transfer of business within common control entities is recognized in the statement of profit and loss account by the transferor entity.

1.4 Foreign currency Transactions. Functional currency

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees (rounded off wherever required)

Transactions and translations

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing at the time of the transaction.

Exchange difference on monetary items is recognized in the Statement of Profit and Loss in the period in which it arises except for;

- Exchange difference on foreign currency transactions, on which receipt and/ or payments is not planned, initially recognized in Other Income
- The results and financial position of foreign operations with functional currency different from the presentation currency are translated into the presentation currency as follows:
 - Assets and liabilities each transaction are translated at the of the transaction;
 - Income and expenses for transaction are translated at the of the transaction
 - All resulting exchange differences are recognized in other income.
- The Foreign trade receivables may undergo a change based on the foreign currency fluctuation changes

1	85.58	89.86	81.30
2	85.58	89.86	81.30
3	85.58	89.86	81.30
4	85.58	89.86	81.30
	508.80	534.24	483.36

1.5 Borrowing costs

Borrowing costs are recognized as an expense in the year in which they are incurred. Borrowing cost includes interest incurred in connection with the arrangement of borrowings to the extent they are regarded as an adjustment to the interest cost.

1.6 Taxes on Income Tax and Deferred Tax

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior Periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Provision for income tax is made on the basis of taxable income for the year at the current rates. Deferred tax represents the effect of temporary difference between carrying amount of assets and liabilities in the consolidated financial statements and the corresponding tax base used in the computation of taxable income. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred tax liabilities are generally accounted for all taxable temporary differences. Deferred tax asset is recognized for all deductible temporary differences, carried forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which such deductible temporary differences can be utilized.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax assets/ liabilities are not recognized for initial recognition of Goodwill or on an asset or liability in a transaction that is not a business combination and at the time of transaction affects neither the accounting profit nor taxable profit or loss. MAT credit is recognized as an asset, only if it is probable that the Company will pay normal income tax during the Specified period.

Particulars	As at
	31-03-2025
Income tax assets / MAT at the beginning	0.38
Opening Income Tax Liability	-4.73
Net Opening Tax balance	-4.35
Current year provision	-19.89
Income tax paid/TDS Receivable	24.95
Income tax assets / MAT at the closing	26.04
Closing Income Tax Liability	-19.94
Net Closing Tax balance	6.10

1.7 Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company and includes post tax effect of any exceptional item by the weighted average number of equity shares outstanding during the period excluding the shares owned by the Trust, outstanding during the period

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share. The number of equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

1.8 Property, plant and equipment (PPE)

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. The Company identifies and determines separate useful lives for each major component of the property, plant and equipment, if they have useful life that is materially different from that of the asset as a whole.

Cost of an item of PPE comprises of its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and present value of estimated costs of dismantling and removing the item and restoring the site on which it is located.

Expenses on existing property, plant and equipment, including day-to-day repairs, maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred. Gains or losses arising from de-recognition of assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

1.9 Depreciation

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life as per Ind AS 16 and is provided on a Reduced Balance Method basis over the useful lives as prescribed in Schedule II to the Act or as per technical assessment. Depreciation is charged on a pro-rata basis for assets purchased /sold during the year.

The management's estimates of the useful lives of various assets for computing depreciation are as follows:

Particulars	Useful life (in yrs.)
Buildings & Temporary Structure	03
Plant and Machinery	15
Furniture & Fixtures	10
Office Equipment – Others	05
Vehicles	08

The useful lives as given above best represent the period over which the management expects to use these assets, based on technical assessment. The estimated useful lives for these assets are therefore different from the useful lives prescribed under Part C of Schedule II of the Companies Act 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.10 Intangible assets and amortization

- Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Cost includes all direct costs relating to acquisition of Intangible assets and borrowing cost relating to qualifying assets.
- Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
-

Particulars	Useful life
Intangible Assets others & Intangible Assets Under Development.	10 years
Software	3 years

- Intangible assets are amortized over the useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting year. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.
- Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the assets are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss.
- Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized. Any gain or loss on disposal of an item of Intangible Assets is recognized in statement of profit and loss.

1.11 Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and cash in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short term cash commitments.

1.12 Statement of Cash Flows (Cash Flow Statement)

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

1.13 Employee benefits

a. Provident Fund: Employees of the Company receive benefit under the provident fund, a defined benefit plan. The employee and employer each make monthly contributions to the plan. A portion of the contribution is made to the provident fund trust managed by the Company or Government administered provident fund. The contributions are charged to the statement of profit and loss in the year when employee renders the related service. There are no other obligations other than the contribution payable to the respective authorities.

b. Gratuity:

The Company provides for gratuity, a defined benefit retirement plan ("the Gratuity Plan") covering eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each Balance Sheet date using the projected unit credit method.

c. Compensated Absences:

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by Estimation Basis.

1.14 Investments in Subsidiaries and Associates

The company's investment in its Subsidiaries and Associates are carried at cost.

1.15 Provisions

a. A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation.

b. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pretax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting issued, the increase in the provision due to the passage of time is recognized as a finance cost.

1.16 Financial instruments

a. Recognition and Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

b. Classification and Subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortized cost;
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- The asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortized cost as described above are measured at FVTPL. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- The stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realizing cash flows through the sale of the assets;
- How the performance of the portfolio is evaluated and reported to the Company's management;
- The risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- How managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- The frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for de recognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment* whether contractual cash flows are solely payments of principal and interest

*For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined in assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could

change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- Contingent events that would change the amount or timing of cash flows;
- Terms that may adjust the contractual coupon rate, including variable interest rate features;
- Prepayment and extension features; and
- Terms that limit the Company's claim to cash flows from specified assets (e.g. non- recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual paramount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.

Financial assets at amortized cost: These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.

Financial liabilities:

Classification, Subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held- for- trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

c. Derecognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

d. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

e. Impairment

The Company recognizes loss allowances for expected credit losses on financial assets measured at amortized cost; at each reporting date, the Company assesses whether financial assets carried at amortized cost and debt securities at fair value through other comprehensive income (FVOCI) are credit impaired. A financial asset is 'credit- impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Evidence that a financial asset is credit- impaired includes the following observable data:

- Significant financial difficulty of the borrower or issuer;
- The restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- It is probable that the borrower will enter bankruptcy or other financial reorganization; or
- The disappearance of an active market for a security because of financial difficulties. The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:
 - Debt securities that are determined to have low credit risk at the reporting date; and
 - Other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward- looking information.

Measurement of expected credit losses Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Adroit together with its subsidiaries are Specialist SAP Consulting Group, with close to two decades of experience in helping organizations significantly reduce costs and improve effectiveness and efficiency through internal process improvements using SAP products and solutions

B. Basis of preparation of financial statements

B.1. Statement of Compliance

These financial statements are prepared in accordance with the generally accepted accounting principles (GAAP) in India and incompliance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act 2013("the Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 , the Companies (Indian Accounting Standards)(Amendment) Rules, 2017 and other provisions to the Act, to the extent notified and applicable as well as applicable guidance notes and pronouncements of the Institute of Chartered Accountants of India (the ICAI)

The financial statements were authorized for issue by the Company's Board of Directors on 22 May 2025.

Details of the accounting policies are included in Note 1.

B.2 Basis of preparation and presentation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015(as amended from time to time).

These financial statements have been prepared under the historical cost convention on an accrual and going concern basis except for the following assets and liabilities:

1. Certain financial assets and liabilities are measured at fair value;
2. Employee defined benefit assets/(liability) are recognized as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation;

The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules,2015 and relevant Amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

B.3 Functional and presentation currency

The financial statements are presented in Indian rupees, which is the functional currency of the Company.

All amounts are in Indian Rupees except share data, unless otherwise stated.

B.4 Operating Cycle

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out under Ind As and in the Schedule III to the Companies Act, 2013.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) it is expected to be realized within twelve months after the reporting date;
- d) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelvemonths after the reporting date.

Liabilities:

- a) A liability is classified as current when it satisfies any of the following criteria:

- b) It is expected to be settled in the Company's normal operating cycle;
- c) It is held primarily for the purpose of being traded;
- d) It is due to be settled within twelve months after the reporting date;
- e) The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

B.5 Critical accounting judgments and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in Note 1, the management of the Company are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgments that the management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements:

Provision and contingent liability

On an ongoing basis, Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Useful lives of depreciable assets

Useful life of Property, Plant and Equipment including intangible asset: Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial yearend and adjusted prospectively, if appropriate.

Investment in equity instruments of subsidiary and associate Companies

During the year, the Company assessed the investment in equity instrument of subsidiary companies carried at cost for impairment testing. These companies are expected to generate positive cash flows in the future years. Detailed analysis has been carried out on the future projections and the Company is confident that the investments do not require any impairment.

B.6. Fair value measurement and valuation process:

The company measured financial assets and liabilities, if any, at fair value for financial reporting purposes.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

As per our report of even date.

**Independent Auditor's Report
To the Members of Adroit Infotech Limited
Report on the Audit of the Consolidated Financial Statements**

Opinion

1. We have audited the accompanying consolidated financial statements of Adroit Infotech Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as listed in Annexure 1, which comprise the Consolidated Balance Sheet as at 31 March 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India of the consolidated state of affairs of the Group, as at 31 March 2025, and their consolidated profit (including other comprehensive income), consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. we have determined the matters described below to be the key audit matters to be communicated in our report.

Sr no.	Key Audit Matter
1.	Revenue recognition The Group's contracts with customers include contracts with multiple products and services. The group derives revenues from IT services comprising consulting and package implementation and related services, maintenance, licensing of software products and platforms across the Group's core business. The Group assesses the services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligations to determine the deliverables and the ability of the customer to benefit independently from such deliverables involves significant judgement. In certain integrated services arrangements, contracts with customers include subcontractor services or third-party vendor equipment or software. In these types of arrangements, revenue from sales of third-party vendor products or services is recorded net of costs when the Group is acting as an agent between the customer and the vendor and gross when the Group is the principal for the transaction. In doing so, the Group first evaluates whether it controls the products or service before it is transferred to the customer. The Group considers whether it has the primary obligation to fulfil the contract, inventory risk, pricing discretion and other factors to determine whether it controls the products or service and therefore, is acting as a principal or an agent. Fixed price maintenance revenue is recognized ratably either on (1) a straight-line basis when services are

	performed through an indefinite number of repetitive acts over a specified period or (2) using a percentage of completion method when the pattern of benefits from the services rendered to the customer and the Group's costs to fulfil the contract is not even through the period of contract because the services are generally discrete in nature and not repetitive. The use of method to recognize the maintenance revenues requires judgment and is based on the promises in the contract and nature of the deliverables. As certain contracts with customers involve management's judgment in (1) identifying distinct performance obligations, (2) determining whether the Group is acting as a principal or an agent and (3) whether fixed price maintenance revenue is recognized on a straight-line basis or using the percentage of completion method, revenue recognition from these judgments were identified as a key audit matter and required a higher extent of audit effort. Refer relevant notes to the consolidated financial statements
	Auditor's Response
	Principal Audit Procedures Performed Our audit procedures related to the (1) identification of distinct performance obligations, (2) determination of whether the Group is acting as a principal or agent and (3) whether fixed price maintenance revenue is recognized on a straight-line basis or using the percentage of completion method included the following, among others: • We tested the effectiveness of controls relating to the (a) identification of distinct performance obligations, (b) determination of whether the Group is acting as a principal or an agent and (c) determination of whether fixed price maintenance revenue for certain contracts is recognized on a straight-line basis or using the percentage of completion method. • We selected a sample of contracts with customers and performed the following procedures: – Obtained and read contract documents for each selection, including master service agreements, and other documents that were part of the agreement. – Identified significant terms and deliverables in the contract to assess management's conclusions regarding the (i) identification of distinct performance obligations (ii) whether the Group is acting as a principal or an agent and (iii) whether fixed price maintenance revenue is recognized on a straight-line basis or using the percentage of completion method.
2	Revenue recognition - Fixed price contracts using the percentage of completion method Fixed price maintenance revenue is recognized rateably either (1) on a straight-line basis when services are performed through an indefinite number of repetitive acts over a specified period or (2) using a percentage of completion method when the pattern of benefits from services rendered to the customer and the Group's costs to fulfil the contract is not even through the period of contract because the services are generally discrete in nature and not repetitive. Revenue from other fixed-price, fixed-timeframe contracts, where the performance obligations are satisfied over time is recognized using the percentage-of-completion method. Use of the percentage-of-completion method requires the Group to determine the actual efforts or costs expended to date as a proportion of the estimated total efforts or costs to be incurred. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. The estimation of total efforts or costs involves significant judgement and is assessed throughout the period of the contract to reflect any changes based on the latest available information. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the estimated efforts or costs to complete the contract. We identified the estimate of total efforts or costs to complete fixed price contracts measured using the percentage of completion method as a key audit matter as the estimation of total efforts or costs involves significant judgement and is assessed throughout the period of the contract to reflect any changes based on the latest available information. This estimate has a high inherent uncertainty and requires consideration of progress of the contract, efforts or costs incurred to-date and estimates of efforts or costs required to complete the remaining contract performance obligations over the term of the contracts.

	This required a high degree of auditor judgment in evaluating the audit evidence and a higher extent of audit effort to evaluate the reasonableness of the total estimated amount of revenue recognized on fixed-price contracts. Refer relevant Notes to the consolidated financial statements.
	Auditor's response
	Principal Audit Procedures Performed Our audit procedures related to estimates of total expected costs or efforts to complete for fixed-price contracts included the following, among others: • We tested the effectiveness of controls relating to (1) recording of efforts or costs incurred and estimation of efforts or costs required to complete the remaining contract performance obligations and (2) access and application controls pertaining to time recording, allocation and budgeting systems which prevents unauthorized changes to recording of efforts incurred. • We selected a sample of fixed price contracts with customers measured the using percentage-of-completion method and performed the following: – Evaluated management's ability to reasonably estimate the progress towards satisfying the performance obligation by comparing actual efforts or costs incurred to prior year estimates of efforts or costs budgeted for performance obligations that have been fulfilled. – Compared efforts or costs incurred with Group's estimate of efforts or costs incurred to date to identify significant variations and evaluate whether those variations have been considered appropriately in estimating the remaining costs or efforts to complete the contract. – Tested the estimate for consistency with the status of delivery of milestones and customer acceptances and sign off from customers to identify possible delays in achieving milestones, which require changes in estimated costs or efforts to complete the remaining performance obligations.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

6. The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

7. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India. The Holding Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act the respective Board of Directors of the companies included in the Group, covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the

Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

8. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
9. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
11. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information/ financial statements of the entities or business activities within the Group, , to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the financial statements, of which we are the independent auditors.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by section 197(16) of the Act based on our audit, we report that the Holding Company, its subsidiary companies, incorporated in India whose financial statements have been audited under the Act have paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.

Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the consolidated financial statements of Adroit infotech Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as at and for the year ended 31 March 2025, we have audited the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies, which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary companies, , which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on internal financial controls based on internal control financial reporting criteria established by the Company considering the essential component of internal control stated in the guidance note on audit of Internal Financial Control over Financial Reporting ("the guidance note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company, {its subsidiary companies, its associate companies and joint venture companies} as aforesaid.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion and based on the consideration of the reports of the other auditors on internal financial controls with reference to financial statements of the subsidiary companies and associate companies, the Holding Company, its subsidiary companies and its associate companies, which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2025, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Note: During FY 2023–24, the Company acquired Verso Altima Private Limited in accordance with a Share Purchase Agreement. As per the terms of the agreement, the consideration for the acquisition was contingent upon the achievement of specified operational targets and was payable over a defined period, with the final installment scheduled for FY 2024–25.

Following a comprehensive assessment of Verso Altima's operational performance, management determined that the stipulated conditions were not met. Accordingly, the contingent consideration no longer represented a liability and was reversed during the year. This reversal was recognized as income, in compliance with applicable accounting standards.

As per the principles of Ind AS 103 – Business Combinations, any contingent consideration that ceases to qualify as a financial liability should be derecognized, with the corresponding impact recorded in profit or loss. The accounting treatment adopted by the Company aligns with the guidance under Ind AS 103 and is considered appropriate under the applicable financial reporting framework.

Refer Note no.3 of the financial statements relating to impairment of the PPE.

Note: 36
Financial risk factors

The Group's activities expose it to a variety of financial risks—market risk, credit risk and liquidity risk. The Group's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Group is foreign exchange risk. The Group has major exposure in US Dollars which is not hedge. The Group's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers. The gross carrying amount of a financial asset is written off (either partially or in full) when there is no realistic prospect of recovery.

i) Market risk

The Group operates internationally and a major portion of the business is transacted in several currencies and consequently the Group is exposed to foreign exchange risk through its sales and services in the United States and elsewhere. The exchange rate between the Indian Rupee and foreign currencies has changed substantially in recent years and may fluctuate substantially in the future. Consequently, the results of the Group's operations are adversely affected as the Rupee appreciates / depreciates against these currencies.

The analysis of the foreign currency risk from financial assets and liabilities as at March 31, 2025 is as follows: **(INR in Lakhs)**

Particulars	Amount
Financial Assets	676.28
Financial Liabilities	0
Total	676.28

The analysis of the foreign currency risk from financial assets and liabilities as at March 31, 2024 is as follows: **(INR in Lakhs)**

Particulars	Amount
Financial Assets	1084.94
Financial Liabilities	0
Total	1,084.94

Sensitivity analysis between Indian Rupee and US Dollar

Particulars	Year ended March 31,	
	2025	2024
Impact on the Group's incremental operating margins	0.05 to 0.10%	0.04 to 0.10%

Sensitivity analysis is computed based on the changes in the income and expenses in foreign currency upon conversion into functional currency. This is due to exchange rate fluctuations between the previous reporting period and the current reporting period

ii.) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates.

The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Group does not enter any interest rate swaps.

iii.) Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹ 1,313.32 Lacs and ₹ 1,410.91 Lacs as at March 31, 2025 and March 31, 2024, respectively. Trade receivables are typically unsecured and are derived from revenue from customers majorly located in the US, South East Asia, Gulf and India. Credit risk has always been managed by the Group through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of the customers to which the Group grants credit terms in the normal course of business. The Group uses simplified approach for determining to assess any required allowances. The Group's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers. Management on regular basis keep track of receivables and provide board with reason for increase in trade receivables.

iv.) Credit risk exposure

The Group's credit period generally ranges from 60-120 days. The allowance for lifetime expected credit loss on customer balances recognized for the years ended March 31, 2025 and March 31, 2024 is Nil.

Credit risk on cash and cash equivalents is limited as the Group generally invests in deposits with banks and financial institutions with high ratings, assigned by international and domestic credit rating agencies. Ratings are monitored periodically and the Group has considered the latest available credit ratings as at the date of approval of these financial statements.

v.) Liquidity risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time.

The Group's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Group has no major outstanding borrowings. The Group believes that the working capital is sufficient to meet its current requirements. Further, on need basis Group raises from its shareholder for expanding business and acquisition purposes.

As at March 31, 2025, the Group had a working capital of ₹ 1,195.19 Lacs including cash and cash equivalents of ₹ 191.09 Lacs. Further, the Group has very limited loans in its portfolio which shows that the Group has ability to meet its liability from the funds generated from the Cash Flow activities of Business.

Note: 37
Trade Receivables-

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country, in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits, and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business

The Company's credit period for customers generally ranges from 60-90 days. The aging of trade receivables that are past due but not impaired is given below:

Capital management

The Group's policy is to maintain a stable capital base to maintain investor, creditor, and market confidence and to sustain future development of the business. Management monitors capital based on return on capital employed as well as the debt to total equity ratio.

For the purpose of debt to total equity ratio, debt considered is long-term and short-term borrowings. Total equity comprises of issued share capital and all other equity reserves excluding Debenture Redemption Reserve.

Note 40

Principles of consolidation:

These Consolidated Financial Statements (CFS) are prepared on the following basis in accordance with Ind AS on "Consolidated Financial Statements" (Ind AS – 110), "Investments in Associates and Joint Ventures" (Ind AS – 28) and "Disclosure of interest in other entities" (Ind AS – 112), specified under Section 133 of the Companies Act, 2013.

(i) Subsidiaries:

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

(ii) Non-controlling interest (NCI):

NCI are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition. Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

(iii) Loss of control:

When the Group loses control over a subsidiary, it derecognizes the assets and liabilities of the subsidiary, and any related NCI and other components of equity. Any interest retained in the former subsidiary is measured at fair value at the date the control is lost. Any resulting gain or loss is recognized in profit or loss.

(iv) Equity accounted investees:

The Group's interests in equity accounted investees comprise interest in associates. An associate is an entity in which the Group has significant influence, but not control or joint control, over the financial and operating policies.

Interest in associates is accounted for using equity method. They are initially recognized at cost which includes transaction costs. Subsequent to initial recognition, consolidated financial statements include the Group's share of profit or loss and OCI of equity accounted investees until the date on which significant influence or joint control ceases.

(v). Transactions eliminated on consolidation:

The financial statements of the Holding Company, its Subsidiaries and Associates used in the consolidation procedure are drawn up to the same reporting date i.e., March 31, 2025.

The financial statements of the Holding Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses. Intra-group balances and transactions, and any unrealized income and expenses arising from intra-group transactions, are eliminated. Unrealized losses are eliminated in the same way as unrealized gains, but only to the extent that there is no evidence of impairment.

The Consolidated Financial Statements are comprised of the financial statements of the members of the Group as under:

Name of the Company	% of Shareholding and voting power	
	As at 31 st March 2025	As at 31 st March 2024

Note 62

Business Combinations and intangible assets:

There were no acquisitions of controlling interest during the year ended March 31, 2025 and year ended March 31, 2024.

During FY 2022–23, the Company acquired Verso Altima Private Limited in accordance with a Share Purchase Agreement. As per the terms of the agreement, the consideration for the acquisition was contingent upon the achievement of specified operational targets and was payable over a defined period, with the final installment scheduled for FY 2024–25.

Following a comprehensive assessment of Verso Altima's operational performance, management determined that the stipulated conditions were not met. Accordingly, the contingent consideration no longer represented a liability and was reversed during the year. This reversal was recognized as income, in compliance with applicable accounting standards.

As per the principles of Ind AS 103 – Business Combinations, any contingent consideration that ceases to qualify as a financial liability should be derecognized, with the corresponding impact recorded in profit or loss. The accounting treatment adopted by the Company aligns with the guidance under Ind AS 103 and is considered appropriate under the applicable financial reporting framework and the Income earned has been recorded as exceptional item since there occurrence of this type of transaction is low.

- The management has represented that, to the best of its knowledge and belief, 31 March 2025 to the consolidated financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and.
- The company does not require submitting any statements for the Overdraft facility availed. Therefore no disclosure in this regard has been made in the financial statement.

Note: 64 Subsequent Events

No events have occurred subsequent to the balance sheet date that warrant disclosure or adjustment to the financial statements prepared

Note 65: Audit Trail

The Ministry of Corporate Affairs (MCA) has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, inserted by the Companies (Accounts) Amendment Rules 2021. Companies using accounting software for maintaining their books of account shall use only such software that includes:

- A feature for recording an audit trail of each and every transaction
- Creation of an edit log for each change made in the books of account, along with the date of such changes
- Assurance that the audit trail cannot be disabled Company's Implementation
- The Company uses accounting software for maintaining its books of account.
- For the year ended March 31, 2025:
 - The feature of recording audit trail (edit log) was not enabled at the database level to log direct data changes.
 - However, logs were maintained only for weekly basis instead of daily basis, due to concerns over database performance.
 - Consequently, audit trail logs are not available for the period April 1, 2024 to March 31, 2025.

Note 1. Significant accounting Policies
1.1 Revenue recognition

The Group offers a complete range of network solutions like Internet, Network Management Services, Data Centre and Co-Location Services and Enterprise Mailing Solutions etc., and derives revenues primarily from business IT services comprising of software development and related services, consulting, and package implementation.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Revenue from Online information and database access or retrieval recognized as the service is performed based on actual usage of the company network in accordance with contractual obligation and is recorded net of Goods & service tax

Company provided specialised features to the subscribers which entitles them to access the network of the company, in such case the revenue is recognised when such features are activated and used by the subscriber.

Products and platforms:

The Group offers a complete range of network solutions like Internet, Network Management Services, Data Centre and Colocation Services and Enterprise Mailing Solutions etc., and derives revenues in the way of sale of products, sale of VOIP Telephones and by way of provision of Bandwidth Services, Web Solutions & ITES (Exports).

Revenue includes only the gross inflows of economic benefits received a receivable by the entity on its own account. Amounts collected on behalf of third parties such as sales taxes, goods and services taxes and value added taxes are not economic benefits which flow to the entity and do not result in increases in equity. The group presents revenues net of taxes in its statement of Profit and Loss.

Other Income

Other income is comprised primarily of interest income, Rental income and exchange gain / loss on translation of other assets and liabilities. Interest income is recognized using the effective interest method.

1.2 Leases

Effective 1 April 2019, the group adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on 1 April 2019 using the modified retrospective method. Comparatives as at and for the year ended 31 March 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies applicable for previous year, The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception

of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. Lessee Policy effective 1 April 2019 the Group's lease asset classes primarily consist of leases for Land, buildings and colocations spaces. The group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Group recognized Right use Asset and Lease Liability value of Rs 137.92 Lakhs in the year 2024-2025.

1.3 Business Combination

Common control business combination is accounted using the pooling of interest method where the Company is transferee. Assets and liabilities of the combining entities are reflected at their carrying amounts and no new asset or liability is recognized. Identity of reserves of the transferor company is preserved by reflecting them in the same form in the Company's financial statements in which they appeared in the financial statements of the transferor company. The excess between the amount of consideration paid over the share capital of the transferor company is recognized as a negative amount and the same is disclosed as capital reserve on business combination. The financial information in the financial statements in respect of prior periods is restated from the beginning of the preceding period in the financial statements if the business combination date is prior to that date. However, if business combination date is after that date, the financial information in the financial statements is restated from the date of business combination. The gain/loss net of tax on transfer of business within common control entities is recognized in the statement of profit and loss account by the transferor entity.

1.4 Foreign currency Transactions. Functional currency

In preparing the financial statements of the Group, transactions in currencies other than the Group's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not re-translated. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

Transactions and translations

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing at the time of the transaction. Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Exchange difference on monetary items is recognised in the Statement of Profit and Loss in the period in which it arises except for

- a) Exchange difference on foreign currency borrowings relating to depreciable capital asset is included in cost of assets.
- b) Exchange difference on foreign currency transactions, on which receipt and/ or payments is not planned, initially recognised in Other Income, and reclassified from Equity to profit and loss on repayment of the monetary items.

The results and financial position of foreign operations with functional currency different from the presentation currency, are translated into the presentation currency as follows:

- a) Assets and liabilities for each consolidated statement of financial position presented are translated at the closing rate at the date of that consolidated statement of financial position;
- b) Income and expenses for each consolidated statement of comprehensive income are translated at average exchange rates (unless average rate is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the rate on the dates of the transactions); and

- c) All resulting exchange differences are recognised in other income.

1.5 Borrowing costs

Borrowing costs are recognized as an expense in the year in which they are incurred. Borrowing cost includes interest incurred in connection with the arrangement of borrowings to the extent they are regarded as an adjustment to the interest cost.

1.6 Taxes on Income Tax and Deferred Tax

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Provision for income tax is made based on taxable income for the year at the current rates.

Deferred tax represents the effect of temporary difference between carrying amount of assets and liabilities in the consolidated financial statements and the corresponding tax base used in the computation of taxable income. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred tax liabilities are generally accounted for all taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences, carried forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which such deductible temporary differences can be utilised.

The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax assets/ liabilities are not recognised for initial recognition of Goodwill or on an asset or liability in a transaction that is not a business combination and at the time of transaction affects neither the accounting profit nor taxable profit or loss. MAT credit is recognised as an asset, only if it is probable that the Group will pay normal income tax during the Specified period.

1.7 Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the group and includes post tax effect of any exceptional item by the weighted average number of equity shares outstanding during the period excluding the shares owned by the Trust, outstanding during the period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the group by the weighted average number of equity shares considered for deriving basic earnings per equity share and the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e., the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

1.8 Property, plant, and equipment (PPE)

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. The Group identifies and determines separate useful lives for each major component of the property, plant and equipment, if they have a useful life that is materially different from that of the asset as a whole.

Cost of an item of PPE comprises of its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and present value of estimated costs of dismantling and removing the item and restoring the site on which It is located.

Expenses on existing property, plant and equipment, including day-to-day repairs, maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred. Gains or losses arising from de recognition of assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the group and the cost of the item can be measured reliably.

1.9 Depreciation

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life as per Ind AS 16 and is provided on a Reduced Balance Method basis over the useful lives as prescribed in Schedule II to the Act or as per technical assessment. Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Group, or the number of production or similar units expected to be obtained from the asset by the Group. Such classes of assets and their estimated useful lives are as under

Particulars	Useful life (in yrs)
Buildings & Temp Structure	03
Plant and Machinery	15
Furniture & Fixtures	10
Office Equipment – Others	05
Vehicles	08

1.10 Intangible assets and amortization.

1. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Cost includes all direct costs relating to acquisition of Intangible assets and borrowing cost relating to qualifying assets.

2. Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

3. There are no intangible assets assessed with indefinite use full life. The life of amortisation of the intangible assets is as follows.

Intangible Assets others & Intangible Assets Under Development.	10 years
Software	3 years

4. Intangible assets are amortized over the useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting year. The estimated useful life of an identifiable intangible asset is based on several factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

5. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss.

6. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized. Any gain or loss on disposal of an item of Intangible Assets is recognised in statement of profit and loss.

1.11 Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and cash in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short term cash commitments.

1.12 Statement of Cash Flows (Cash Flow Statement)

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated.

1.13 Employee benefits.

1. Provident Fund: Employees of the Group receive benefits under the provident fund, a defined benefit plan. The employee and employer each make monthly contributions to the plan. A portion of the contribution is made to the provident fund trust managed by the Group or Government administered provident fund. The liability is actuarially determined (using the projected unit credit method) at the end of the year. The contributions are charged to the statement of profit and loss in the year when employee renders the related service. There are no other obligations other than the contribution payable to the respective authorities

2. Gratuity:

The Group provides for gratuity, a defined benefit retirement plan ("the Gratuity Plan") covering eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Group. Liabilities regarding the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each Balance Sheet date using the projected unit credit method.

3. Compensated Absences:

The Group has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by Estimation Basis.

4. The actuarial valuation is done at the end of the year. Actuarial gains/losses are immediately taken to statement of profit and loss and are not deferred.

1.15 Investments in Subsidiaries and Associates.

The Group's investment in its Subsidiaries and Associates are carried at cost.

1.16 Provisions.

1. A provision is recognized if, as a result of a past event, the Group has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

2. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting issued, the increase in the provision due to the passage of time is recognized as a finance cost.

1.17 Financial instruments.

a. Recognition and Initial recognition

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that is directly attributable to its acquisition or issue.

b. Classification and Subsequent measurement financial assets.

On initial recognition, a financial asset is classified as measured at

- amortized cost;
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- The asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. All financial assets not classified as measured at amortized cost as described above are measured at FVTPL. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the

requirements to be measured at amortized cost at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Group makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- The stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash out flows or realizing cash flows through the sale of the assets;
- How the performance of the portfolio is evaluated and reported to the Group's management;
- The risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- How managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- The frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment* whether contractual cash flows are solely payments of principal and interest.

*For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Group considers:

- Contingent events that would change the amount or timing of cash flows;
- Terms that may adjust the contractual coupon rate, including variable interest rate features;
- Prepayment and extension features; and
- Terms that limits the Group's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual per amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses.

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.

Financial assets at amortized cost: These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.

Financial liabilities:

Classification, Subsequent measurement and gains and losses.

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held- for- trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

c. Derecognition.

Financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

d. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

e. Impairment

The Group recognizes loss allowances for expected credit losses on financial assets measured at amortized cost; At each reporting date, the Group assesses whether financial assets carried at amortized cost and debt securities at fair value through other comprehensive income (FVOCI) are credit impaired. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit- impaired includes the following observable data:

- Significant financial difficulty of the borrower or issuer;
- The restructuring of a loan or advance by the Group on terms that the Group would not consider otherwise;
- It is probable that the borrower will enter bankruptcy or other financial reorganization; or
- The disappearance of an active market for a security because of financial difficulties.

The Group measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- Debt securities that are determined to have low credit risk at the reporting date; and
- Other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Group is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and including forward- looking information.

Measurement of expected credit losses

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e., the difference between the cash flows due to the Group in accordance with the contract and the cash flows that the Group expects to receive).

As per our report of even date.

Consolidated Notes to the Financial Statement

Group overview & significant policy

Group overview

Adroit Infotech Limited ('the Company') is a Public Limited Company incorporated in India, registered under Companies Act 1956 having registered office at Plot No. 7A, MLA Colony, Road No. 12, Banjara Hills, Hyderabad TG 500034 IN and its securities listed has primary listings on the BSE Ltd. and National Stock Exchange of India Limited.

Adroit together with its subsidiaries are Specialist SAP Consulting Group, with close to two decades of experience in helping organizations significantly reduce costs and improve effectiveness and efficiency through internal process improvements using SAP products and solutions

B. Basis of preparation of financial statements

B.1. Statement of Compliance

These consolidated financial statements are prepared in accordance with the generally accepted accounting principles (GAAP) in India and in compliance with the Indian Accounting Standards (Ind AS) Specified under section 133 of the Companies Act 2013 ("the Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, the Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and other provisions to the Act, to the extent notified and applicable as well as applicable guidance notes and pronouncements of the Institute of Chartered Accountants of India (the ICAI).

The Consolidated financial statements were authorized for issue by the Holding Company's Board of Directors on 22 May, 2025. Details of the accounting policies are included in Note 1.

B.2 Basis of preparation and presentation

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis, except for the following material items in the statement of financial position:

- Certain financial assets and liabilities are measured at fair value;
- Employee defined benefit assets/(liability) are recognized as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation;

The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant Amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. As the year-end figures are taken from the source and rounded to the nearest digits, the figures reported for the previous quarters might not always add up to the year-end figures reported in this statement.

B.3 Basis of Consolidation

Adroit Infotech Limited Consolidates entities which it owns or controls. The consolidated financial statements comprise the financial statements of the company, its controlled entities as disclosed in Note 30. Control exists when the parent has power over the entity, is exposed or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The financial statements of the Group companies are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Company, are excluded.

B.4 Functional and presentation currency

The financial statements are presented in Indian rupees, which is the functional currency of the Group. All amounts are in Indian Rupees except share data, unless otherwise stated.

B.5 Operating Cycle

All the assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out under Ind As and in the Schedule III to the Companies Act, 2013.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) It is expected to be realized in, or is intended for sale or consumption in, the Group's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is expected to be realized within twelve months after the reporting date; or
- d) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) It is expected to be settled in the Group's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is due to be settled within twelve months after the reporting date; or
- d) The Group does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

B.6 Critical accounting judgments and key sources of estimation uncertainty.

In the application of the Group's accounting policies, which are described in Note 1, the management of the Group are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Group's accounting policies and that have the most significant effect on the amounts recognized in the financial statements:

Provision and contingent liability

On an on-going basis, Group's reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Useful lives of depreciable assets

Useful life of Property, Plant and Equipment including intangible asset: Residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial yearend and adjusted prospectively, if appropriate.

Investment in equity instruments of subsidiary and associate companies

During the year, the Group assessed the investment in equity instrument of subsidiary and associate companies carried at cost for impairment testing. These companies are expected to generate positive cash flows in the future years. Detailed analysis has been carried out on the future projections and the Group is confident that the investments do not require any impairment.

B.7 Fair value measurement and valuation process:

The Group measured financial assets and liabilities, if any, at fair value for financial reporting purposes.

The Group recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

As per our report of even date.
